POLICY

As a member of this Board I will, to the best of my ability:

- Represent the interests of the people served and employed by this organization;
- Approach all matters discussed by the Board with a mind prepared to make the best decision for the organization as a whole;
- Live up to the trust of those who elected the Board and of those we serve;
- Focus my efforts on the mission, policies and strategies of the organization;
- Not use the organization or my service on this Board in a manner which violates the Board By-Laws, policies and procedures;
- Keep confidential information confidential;
- Exercise my authority as a Board member only when acting in Board meetings or as delegated by the Board.
